STIPULATED MOTION FOR DISMISSAL

The parties have reached a full and final resolution of all their disputes and so now request that this matter be dismissed with prejudice to refiling, under FRCP 41(a)(2), with the Court to retain jurisdiction solely in the event one of the parties later seeks enforcement of their written agreement. They further request that the dismissal be without an award of costs or assessment by the Court of any damages, attorney fees, or other such relief.
